SERVICE CATALOGUE

Remedy Project Consulting is distinctive in four important ways:

1 UNIQUE AND PROVEN METHODOLOGY

means we deliver projects faster, reducing overheads and creating savings for clients

2 WE LEVERAGE OUR CLIENT'S EXISTING RESOURCES

reducing outlay, enhancing capability and upskilling staff

3 WE ARE ADEPT AT MANAGING COMPLEX STAKEHOLDER ISSUES

our depth of experience in the delivery of complex projects provides our clients with peace of mind.

4 WE PROVIDE INDEPENDENT ADVICE

We are not tied to products, platforms or preferred vendors which enables us to provide transparent and expert advice.

CLIENT SUCCESS STORIES

Remedy is the company our clients turn to when the project is too important to fail. Our enviable track record includes:

- :: The implementation of a new Tolling solution for Transurban.
- :: The merger of Westpac Bank and St George Bank.
- :: The Initial Public Offering (IPO) of BT Investments.
- :: The successful delivery of many integration programs for some of Australia's blue chip organisations
- :: Performing health checks and implementing turnaround plans for major business and technology program.
